Saco Maine - York County -
January 26th 1850 -

Dear Sir -

We hereby enclose to you another bill to the State of Texas - We have forwarded to you already some 4 or 5 hundred dollars - as for fear of bills - which was the property of our Joseph Johnson - Will you please send us a receipt for that and this also -

This is the property of two persons - to wit -
The $100 is the property of John Hendrick of Saco -
The $50. is the property of Samuel Hidden of Rollinsford in the state of New Hampshire but formerly of this place -
This is the last we now have on hand - We sent you last winter a specification of all we have now sent - and received a reply - and your circular - We endeavored to file them claims before last New Year but could not get them through by express - and thus suffered a delay but we hope we shall not be injured by it -
Will you please do us the favor to answer the receipt of our claims if you do receive them -

With respect we remain
Yours obt Servts
