Dr Sir:

Enclosed I send you Pleasant Wilson's discharge as a member of Capt John Imberson's Company

Mr Wilson desires me to send it to you, and if any further proof is required to entitle him to receive what may be due him you please inform me what it is — This discharge of Mr Wilson's has long been mislaid, and has just come to light among the papers of another soldier for assistance who has forwarded it to him

I would be pleased to hear from you, when ever you can find leisure for a friendly correspondence — and especially would I like to hear from you as regards the political atmosphere & prospects brewing, around the Capitol

Very Respectfully
Yr. Friend
Geo. Throckmorton
