Hon. Wm. S. Hotchkiss;

Dear Sir: Some three years ago the heirs of Captain Little placed in the hands of DeCordova, their Claim for money & land. Since then that gentleman has not given them any information respecting the Claim.

Please advise me its situation. Also the Claim for the services of Jacob Eyler. No advice respecting this. I am requested to take charge of these claims.

Yours truly,

P.S. I will send you P/a if necessary.
