Houston July 14 1850

Mr T. C. Shaw
Auditor &c.

Dear Sir

Inclosed I send you the discharge of Peter A. Ackerman (now deceased) one of ~~the~~ Texas prisoners. Also a certificate copy of the decree of the Leon County Court recognizing Geo. Spainger sole heir and devisee. I believe, if I understand the law that these papers will be sufficient to entitle Mr Spainger as the legal representative to a certificate for the pay of a prisoner. If so he pleased to have it made out and you will greatly oblige by returning it by mail — If there are any charges I will remit them instantly

Allow me to congratulate you on your prospects in this section of a very large majority. I distributed your circulars, which you were pleased to enclose, through the County on my late electioneering tour. You will get an almost unanimous vote — Your election I presume is certain

Very Truly &c

Harry H. Allen
