Council Hall, 5th Febr 1836

The Committee, for providing expresses &c.
Would inform the Committee on Finance &c.
that being inform'd of the propriety of sending
an express to the Army at Copeno, they were,
from the great scarcity of horses in the place
compell'd to purchace a horse of high price,
which they did from Doctr Ewing, and agree
to give him one hundred and fifty dollars,
to be paid by the Government —

We therefore recommend you to direct
the Auditor & Comptroler to issue their draft
for the same — J. C. Sandoval Jr.
