Houston May 19th. 1838 –

I certify that Mathew Fairchild, was a Private in Compy. A. 1st Regt. Cavalry – and that he entitled to pay for clothing – not having (to the best of my knowledge and belief) received more than one full suit during the time he served in said Regt. – Say from 30th November '34 ~~[illegible]~~ to 18th Dec 1837

The clothes drawn by said Fairchild I do not think were worth more than Late Capt. C. A. 1st Cavalry Ten Dollars. I speak entirely from memory, not having my Company papers. I can not do otherwise
