To — Camp Independence Feb. 14 — 1837

A. Evans Esq. M.D. Surgeon General &c.

Dr. Sir; — Agreeably to your orders I herewith transmit an inventory of all the public stores now in my possession charge, Drugs, Medicines, Instruments &c — It may be proper to inform you that these articles are but the remains of all the medicines that have been used in the army since the commencement of the war, for the most part have been done up in papers and before coming into my possession have been more or less exposed to the weather and consequently somewhat impaired.
