Filed 5th January 1836.

Examined same day and

Rejected

Reasons for the rejection

1st The Resolution creating & employing Rangers on our frontiers requires that the Superintendant have a right to engage to each ranger employed One $\frac{25}{100}$ dollars per day to draw on the Council &c. for the necessary expenditures, accompanying each draft with accounts of expenditures in the Ordinance & decree pointing out the manner claims debts dues & demands shall be presented, & proven, before they can be admitted to record and in the 2d section of an ordinance & decree creating the office of Auditor and Controller of public accounts for Texas, the accounts &c. must be sent in all its parts in conformity with the existing laws. this not being the case, however just I cannot admit it to credit
