The Republic of Texas
County of Sant Augustine August 10th 1837

This day appeared Mary J. Roberts who being duly sworn according to Law says that the annexed account is just and true and further says that he owes the government nothing on his own account only it he for a small man mule which he received the company for on the 6th of June for the purpose of riding on public business to the United States which mule got out on the Road and he had to leave it and that he went to the Company when the mule was left and further that he owes the Government nothing on any other account

Texas except two sixths set off to Sally Benton to be subtracted one of which he believed to, W Mattson Quarter mastered and the other he has ready to deliver to any person authorised to receive the same

Sworn to and subscribed before me
W. H. Caldwell J.P.
