Paid 20th Feby 1836

I certify that the above mentioned articles were furnished by my order, for the use of the Army of Texas.

Dra Westover, Capt. Artillery

Capt Westover states positively as to the Beef above alluded to and has no doubt of the accuracy of the other ——— Capt Wharton having been killed with Col Fannin. Further proof is perhaps not to be obtained. Let it be audited — and submitted to the President —
