This is to certify that I demanded, and received, into the public service; for hallling the the Gonzalas Cannon, to Sanantonio: one yoke of oxen, and all necessary geering; belonging to James George and that said yoke of oxen, is now so much cripled as to render it unfit for service Novr. 23d 1835

H. Neill Capt.

We the undersigned a certify that we beleive that the yoke of oxen and geering as received into the public service by Captain Neil and belonging to James George was worth Forty five dollars as witness our hands and seals this 23d Novr. 1835

H. Neill Capt.
