Accounts of Capt. P. E. Gibbons —

It appears that one of the items chgd in the settlement of Capt Gibbons is for board, this bill to be admitted should have a copy of the order under which Capt Gibbons was acting which is not in this instance the case, the comptroller is not presumed to be aware of orders issued to any officer and the government is not liable to be chgd with the board of such officer unless he is acting under orders, the chge of $82 50/100 therefore is rejected — Voucher No. 3 is also rejected as Thos Wilson is not known, and the receipt appears
