Head Quarters 1st Divn

Lt Charles Mason U.S.A.
1st Auditor Treasury

Sir.

I have the honor to transmit to your Department my account current with the Vouchers for the same of the recruiting Station at New Orleans for the Months of August, September, October, November & December 1839

The number of men recruited during that time is four hundred & fifty seven as will be seen by the bills for transportation. The recruits were sworn in the service at Galveston and the enlistments witnessed by Capt Cooper the Commander of that post.

From the number of vouchers I have been obliged to enclose them in packages ostensibly marked with the description and amount endorsed on the packages
