1/2 lb Blistering Ointment		3.00
4 oz Rhubarb. —	4/—	3.00
		$30.50

I hereby certify that on the 4th July 1837 I started to the army in Capt Pearson's company, and having heard that medicine was scarce in the army started with the above articles for the use of the army, and was taken sick on Colorado and could go no farther — but sent the medicine on to the army in charge of Capt Pearson and it was used in the army as I was told by Capt Pearson on his return —

B. B. Goodrich

7th May 1837

I certify that the foregoing statement is correct that said medicine was used in the army and was delivered to me for this use by B. B. Goodrich

R. W. Pilcher
Capt of Cavalry
Texas Army
