War Department
Columbia February 22nd 1837

To. Victor C. Goodrich

Sir — Enclosed you have a requisition of Medicines absolutely needed for the use of the army — which you are specially required to attend to — You will immediately proceed to New Orleans, and there fill out the requisition, as fully as circumstances will admit —

The faith of the Government is pledged to you for any disbursements you may make on account of the public service —

Respectfully

William Gibson
Secretary of War
