Rejected because the certificate dose not show what time claimed was mustered into the service in the Republick

The Certificate of Capt Frailey shows that he was enlisted on the 3rd of June and it appears from the certificate of the Controller that he did not arrive in the County until the last of August following and the law says that volunteers from the U.S. shall recd pay for 60 days prevs of ben[illegible] into the service in [illegible] and it appears to have [illegible] [illegible]
