from the time they are mustered in Texas." The certificate of Captain Fraily would give the Guard more than 60 days pay previous to his arrival in Texas and would moreover entitle him to Land for that sixty days, which is not contemplated by the act referred to, knowing these facts I cannot approve the account in its present shape.

Aug 17. 1837. E. L. Roberts. Controller

After having passed upon the account of Jacob Grover and referred the same to the Controller for his approval, which he returned with the foregoing objections, I therefore refer the same to the Secretary of the Treasury as the law requires that I should do so
