St Felipe de Austin

This is to Certify that on the second day of December I left the Army before Bexar - having received from Anderson Estis Esq a horse saddle & bridle - which horse on arriving at Gonsale was taken sick and not being able to proceed I left him in charge of R. Caldwell agent for the Govt said horse was valued in the Army at Seventy five dollars - from Caldwell I took a receipt which is now in possession of Mr Estis & I have the saddle & bridle for which I am personally accountable
