Camp Johnson La Baca
Octo 9th 1836.

This is to certify that William C. Hart, this day elected Captain of the Company, served under me as Orderly Sergeant of the "Buck-Eye Rangers" up to this date, during which time he faithfully and promptly acquitted himself of his duties and in every respect performed his business as first Sgt to my satisfaction & the satisfaction of his Company. He was unanimously elected to the office on the tenth day of June 1836 & continued to hold it untill the present date. He has ever acted as a gentleman and a soldier and his conduct is deserving of every praise necessary to bestow on him.
