Came before me this day William Brender and says the within Certificate is just true & original, that he owes the Government nothing but what is Credited on the back of said Certificate and nothing more on his own account or on account of any other person that he has not sold retained or embezzled any arms munitions of war or any other property whatever belonging to the Republic of Texas or caused the same to have been done

Sworn to before me this 4th May 1837
