some small article chargeable against him for a few articles of clothing from his Sloop and a few for self which affiant does not recollect, obtained from the Quarter-Master and Commissary's departments all of which he thinks does not exceed the value of Twenty Dollars, and that he never received more than two rations per diem on an average during his whole term of service, and now for no other or any description whatever.

Felix Huston
Brig Gen U.S.A.

Sworn to and subscribed before me at New Orleans on this 12th day of January 1838
