Personally came before me Thomas Cayce who being duly sworn deposeth and saith, that the annexed account for the head of beef cattle, furnished for the use of the army of the republic of Texas at seventeen dollars & fifty cents each is just and true. And that he is not in any manner indebted to said Republic of Texas.

Sworn to & subscribed before me this 27th October 1838.

Thos. Cayce

Benjamin C. Franklin
Judge 2d Judl Dist
