Judge Sewell

Will please present the Draft or claim of Judge Johnson. It is acknowledged by Orphans Judge I. claim was allowed during last congress or before that but no appropriation was made for paying him, you will please attend to it for me also give my best respects to Mr Mason and ask him to assist you for me please file it if it should not be right, as he may draw it and by this being filed it will show honorable Mason will assist you. You know Schillow signature and can attest to it by reference to the time when Judge Johnson was elected and the time he resigned you can come at the time and I should think the claim would be a sufficient voucher please attend to this as early as possible or hand it to Mason,

and much oblige
