the Hon.ᵃ Secretary of the Treasury for his disposition

— ~~[illegible]~~ auditor

It appears to have been the practice of the Treasury Department heretofore to submit the acct.s of all the Clerks in the War Department and Beaureaus attach'd to that Department. ~~have been~~ to the 2.ᵈ Auditor. The Q.ᵗ Master Gen.ˡˢ Dep.ᵗ is a Beaureau of the War Dep.ᵗ & there is no reason why a different course should be pursued in auditing the acct.s of that Beaureau from that pursued in respect to the others - The 2.ᵈ auditor will therefore audit the acct.s of the Clerks of that Beaureau
