Surgeon General's Office
Dec 14. 1838

I have examined the Bill of Medicines furnished by Doctor William G. Lewis for the use of the Texan Militia and receipted for by J. Roberts Dr Martin T. M. amounting to $395.25 and do hereby certify that the same charged respectively for the medicines are merely the usual prices of the same articles in this Republic.

Ashbel Smith
Surgeon General
of Texas.
