have one in Regard to that matter so that I could be grateful to it but I recollect of going with you to the Col. Triplett on the subject and then was a time stipulated by him that I might draw on him for the amount Purchase of you I think I was permitted to draw for a small amt. at sight Probably what would cover the freight and I think at 30 days for the Balance you might have been paid immediately but the Pecuniary state of the Post Probably has Prevented but I hope and trust it will not be neglected any longer

Yours with Respect
