Justice of the Peace
County of Galveston

Personally appeared before me B. F. Woodruff, a Justice of the Peace in and for the County aforesaid, duly commissioned, & sworn (Daniel Lloyd) and saith that in the month of September last, the Prize Ticket given him by Pearson Wells of the Texas Armed Schr. of War, Invincible, entitling him to the share of Prize money as Sailing Master of the Schooner aforesaid, lost overboard; and that he never sold or made said Prize Ticket payable to any other person. So help him God
