San Felipe De Austin

before me S. W. Moody Auditor came L. H. Mabbitt and says the foregoing account is just & true that the reason he has not furnished a Certificate respecting the Rifle is that Capt Augustin left the company to attend the Convention and thereby he has not been able to procure a Certificate and the reason he has no Certificate for the loss of the sword is that Capt Chesher left Bejar immediately after the capture and he was thereby prevented. Sworn to 14th January 1836 before
