reputation as a Lawyer and integrity and independence as a Judge; now if your Excellency think it meet and proper to transfer me from the military to the civil list, there is no one of your old friends would feel more grateful, or none who would labor to serve the public more zealously, more honestly, more faithfully.

I have the honor to subscribe myself
Your Excellency's old friend and
Colaborer in the Cause of our Country.

David Bonacomb
Lieut Col: Corps of Artillery.
