Camp on Buffalo Fork
March 2nd 1836

I certify that private P. M. Maxwell
of Capt. Logan's Company in Colonel
[illegible] & consequent ge-
neral ill health which renders him unfit
for active service.

Thomas Jones M.D.
Surgeon 2 Regt

Camp on Sangamite

This certifies that P. Mc. Maxwell was enrolled as a volunteer in Capt Logan's Company of Liberty Volunteers on the 6th day of March last, and was mustered at Head Quarters on the Colorado on the 21st of the same. That his health has been uniformly bad since his arrival in the Ct. and is now daily growing worse, and no hopes of being able to do duty until he is recruited in health. He therefore requests a furlough until he is well, or a total discharge. March 3rd 1836.

B. I. Harper 2nd Lieut
in Command

The above named Maxwell is this day honorably discharged from the service.
