the Government of Texas in account
with Joseph McCoy dec.d
to three Hundred bushels of corn
at one dollar per bushel — — $300.00
One beef at ten dollars — — — 10.00
310.00

the above account for provisions
was used by the troops going
to and from Bexar

TX

The above act is correct I have no doubt
as I saw the beef killed and a greater
portion of the corn used before the
1st 1837
