From the certificate of Capt Hiday it appears that Danny McDonald was attached to Capt Lawrence's Company in Dec 1835 that he remained in that Company until July 1836 at which time he was transferred to Capt Devine's Company at Refugio and remained in that Company until March 27th 1836 — and as shown at Goliad — James McDonald's Father letters are his muster roll since — at all events the Department deems Lieut Mutty very — as justly due him — and the Auditor will therefore pay that amount accordingly —
