This is to certify that while I was acting as clerk for Francis Smith at the falls of the Brazos in the year 1835 that Capt Wm Fisher purchased from Mr Corn Coffee powder lead and other provisions for the use of a company of Rangers under his command at that time to the amount of between three hundred or three hundred and forty dollars as there was no books left in the store it is impossible for me to tell the precise amount

the said Fisher purchased from me a pack horse for the use of said Company at forty dollars
