Head Quarters, Camp Johnston, La.
Oct. 19. 1836

This is to certify that Elisha G. Cropper, as appears from description roll the only evidence in my possession, was enlisted into the regular army of Texas by Major W. P. Miller on the 22d of February 1836, at New Orleans, and in consequence of having been taken prisoner by the Mexicans the enlistment was destroyed. After his release he was reenlisted by Lieut. J. H. Blount of the Artillery at Goliad June 13th 1836 since which time he has received neither bounty or pay, so far as I am informed. The ~~Oct 19 1836~~ Bounty is twenty four dollars.
