Second Auditors office
Austin 11 Sept. 1840

I have examined the account of Edmd. Bellinger hereto annexed amounting to Eighty four dollars 75/100 and am constrained to reject it, because it is not sufficiently explicit, and particularly the last charge of $20 for Executions for Taxes;

The result or event of the suit in each case must be stated, and if convicted, and not able to pay the costs, that fact must be shown to the satisfaction of the Auditor
