Council Hall, San Felipe 24th Janr 1836

We the Members of the Advisary committee, Beleiving it important that Majr V. Bennett Should return immediately to the army, and inasmuch as his horse has tired, and it becomes nescessary that he should have a horse procured, and as he now can get one by having a draft on the collector at Nacogdoches, Would therefore advise the committee on Finance, to draft in favor of Hugh Love for fifty dollars, payable at Nacogdoches, and have the draft now issued to V. Bennett, for three hundred sixty nine dollars and fifty cents, credited for the same
