Calisco. August 28th 1836

This may certify to all whom it may concern that in the month of last a Horse was put into my pop-pran to carry an Express to Bexar from the town of Washington. Said Horse was taken from the pop-pran of Genl Sam.l Huston and was the property of Maj. W. P. Miller. I road said horse to Bexar and then he was taken from me by Col. Mal of the Artilly what has become of said Horse since that time. I cannot tell. I think said Horse was worth $ two hundred and fifty dollars
