2nd Auditors Office
Houston 15th Dec. 1837

Sir, I note that the million amount of one hundred and one 50/100 Dollars was deducted by me from the accounts of L. W. Moore Sheriff as the Deputies fees, the same not being considered as expences incurred for the safe keeping of criminals in conformity to the 2d Section of an act organizing the inferior courts &c. nor for their support as provided in the 12th Section of an act for the Election of Sheriffs &c. defining their Several duties. It is evidently a County Charge and should be paid by the County Treasurer. —

G. Weschmeyer
