Head Quarters Texan Army,

Camp Independence Jan 17. 1837.

We do hereby certify that Dr. Robert Moore of Zanesville Ohio joined our command at that place on the 1st October last, in the character of Physician and Surgeon, with a well stored Medicine chest, provided at his own private expense, that he was attentive to all calls made upon him in his medical capacity and evinced much skill in restoring the sick to convalescence and has continued his Medical services to this day. That after his arrival in Camp he extended his medical services and medicines to all who called on him in the army, which calls to our knowledge were frequent, for
