Personally came before me A Brigham Auditor F. A. Sherman and says he is clerk for Col. James Morgan, that the articles brought out in the Schoor. Flash from N. O. for Govt have been landed on Galveston Island and placed in the hands of the proper Officer, except what was necessarily made use of on board by the Volenteers that came passengers in said vessell, and further states that the above acct is just, true, and originall, and hereby acknowledges to have received a draft in favour of James Morgan for Twelve Hundred fifty four Dollars & sixty cents in full for this acct. —
