Republic of Texas
County of Bexar } Personally appeared before the undersigned Chief Justice in and for said County &c. John W Smith a administrator of the Estate of Eugenio Navarro deceased who made oath that the annexed account against the Republic for $577.81¼ Dollars is just true and original so far as the same has come to his knowledge as administrator and part of the same he knows to be so that the same has not been paid nor any part thereof that this is the only one offered for liquidation that the original is in the hand writing of the deceased and the translation thereof is correct that he does not owe the Government any thing on his own account nor on account of said Estate. —

Sworn to and subscribed
before me this 5th Nov 1838
