Houston May 19th 1838

I certify that R. Blackburn was a Private in Comp.y "A" 1st Regiment Cavalry and that he is entitled to pay for clothing.

Not having (to the best of my knowledge and belief) received more than one full suit, from the time of his enlistment to his discharge - say from 8th Decem. '36 to 8th Decem. '37 (IX)

The cloths drawn by Blackburn, I do not think were worth more than Ten Dollars. Not having my Comp.y Papers, I speak entirely from memory
