Auditors Office
Houston July 15th 1837

This day came Jackson Blackmore and says the annexed instrument is just true and original, and the only one that he has offered for liquidation that he owed the government nothing on his own account or on account of any other person.

Sworn to before

Sto Moody
Auditor

TX

Auditors Office
Houston July 18th 1837

I certify that the foregoing instrument is a true Copy taken from the original now on file in my office

L 26-2-2
