This day came before me William Scantlebury a Volunteer in the Texian Army and says the annexed instrument is just true and original that he owes the Government nothing on his own account or on the account of any other person, that he has not sold embezzled or retained any ammunitions of war or any other property whatever belonging to the Republic of Texas or caused the same to have been done

Sworn to before me this 27th March 1837

(TX) Patrick Usher Chief Justice of the County of Jackson
