Columbia 20 feby 1838

This is to Certify that William S. Fisher and George W. Poe did purchase of me provisions for the soldiers at Columbia and for the use of the Government of Texas to the amount of Forty four 44/100 dollars which goods were actually delivered to the troops we having at that time declined to credit the Government - but took the individual note of Wm. S. Fisher & Geo W. Poe which note Geo. W. Poe has paid us in Cash —
