War Department
Houston Oct 13th
1837.

Sir

I have satisfactory
evidence from this
Department that Henry Reid served three
months in the Army of Texas as a Sergeant
commencing on the 15th March and
ending on the 15th June 1836 — It
further appears from the certificates of
Genl Green & Rusk that Henry Reid
was elected a Capt in the Service — and
acted in that capacity from the 15th
June — to 15 Dec 1836 — making
six months service as such — so that
he is entitled to three months pay
as a Sergeant — and six months as
a Captain —
