I am aware that Mr Rodman was acting as a clerk in the executive department, from the first of June, till about the middle of August 1836. and that he was diligent, industrious and faithful in the discharge of his duties. During the greater part of the time, I was Secretary of State, and Mr Rodmans conduct, entitles him to the highest commendation.

Velasco 1st Nov. 1836.

Jonas H Jack (TX)
