Mr C H Sims Indian

Agent I will inform you that the Choctaws wishes to move over her into my country but are afraid to move as there is men a watching them and I think it would be good for you to send them over into the Indian country and I think it best for you to stay at Kolomna if the chiefs wishes to see you let them come and see you as for my self if I want to see you I will come I think if you travel much the wild indians might kill you

Will come soon
