Came before me this day Lieut Edward Smith who says that his demand or account against Govt of the Republic of Texas, is just true and original that he owes the Govt nothing, on his own account or on account of any other person, that he has not sold retained or embezzled any arms, munitions of war, or any other property whatever belonging to the Republic of Texas, or caused the same to have been done. Sworn to before me this third day of June

1878-12
