Dear Sir, When on board this mess of I discov-
-ered that the accommodations for the
officers of the expedition are very poor, I
therefore wish you to make the Capt of
the Brig, Furnish Messrs Perry & Cooke
whose families accompany them suit-
able apartments in the Cabin, for you
gentlemen who take with you your
better parts should have the prefer-

When you reach the Brazos,
it will be advisable to think to mount
about fifty men if horses can be, no

ought to be armed as infantry and
put under the immediate command
